AT THRESHOLD WE BELIEVE THAT MORE IS IN YOU™

Our Purpose is to help people realise their potential through world-class events.

We do this by:

- Supporting individuals to go beyond what they feel is possible
- Showing clients how they can fulfil their potential as responsible businesses
- Enabling charities to maximise their fundraising and supporter engagement
- Inspiring our employees to be the best versions of themselves

In 2022, our team successfully delivered more than 30 physical and virtual events, all over the UK and beyond helping 40,000 people realise what they are capable of. In the process, our events raised over £14m for charity. Furthermore, we expanded our portfolio with the acquisition of the award winning Endure24 running series.

In 2023, we'll be working with some of the biggest brands both domestically and globally, with new projects with the likes of Puma and The School Triathlon Series, as well as the ever-dependent Trail Series and Macmillan Mighty Hikes. Below are snapshots of some of the events we have delivered:

The Macmillan Mighty Hikes

A series of off-road, marathon distance trail hikes that take place in some of the most beautiful parts of the UK and raise more than £12m for Macmillan Cancer Support. Read more [here](#).

NatWest Do-Good Feel-Good Challenge

A series of events in major cities around the UK, for NatWest employees, where they take part in traditional exercises, as well as some extreme sports.

Threshold Trails Series
