Information for your website

Running from 1977 until today, for 46 years, hundreds of riders of all ages and experience levels have been taking part in the iconic BHF London to Brighton to raise money for charity. Continue this cycling legacy by taking part in Europe's longest running charity bike ride in 2024, from Clapham Common, through London until you transition into the countryside of the South Downs, crossing the finish line on Brighton beach - experience an unforgettable day all whilst raising money for amazing causes. There are so many reasons to enter:

- For the Challenge- this event is for everyone and anyone.
- For the Memories – it will be a day to remember!
- For the Cause – support lifesaving research, pedal to the next breakthrough.

Take part for charity for £35 and pledge to raise £350!
