

Threshold Sports Deadlines and Information for E24 GOLD Charities.

We are so excited to have you as a participating charity on our events! Please see below any deadlines you may need.

Each charity will receive an invoice for any participant places not already paid for on the below invoicing dates. From the date of issue, the charity then has 7 days to confirm or reject any participants that the charity no longer wishes to part fund. Examples of reasons include:

- The participant has told the charity they no longer wish to take part.
- The participant wishes to defer.
- The participant has not met their minimum fundraising target (50%).

After 7 days, the participant fees issued within the invoice are non-refundable & must be paid within 7 days. **Please note that all teams will be invoiced by size and not the number of team members already signed up at the time, it is the responsibility of the charity to chase their Team Captains to register their full team.**
